A Plan for the
Quality and Reliability Assurance (Q&RA)
Career Program (CP-15)

The CP-15 ACTEDS Plan was revised in 2000 to provide the careerist with a more proficient tool of guidance through the career program.

The new and improved ACTEDS Plan has been approved and posted on the website.

This ACTEDS Plan provides an excellent roadmap by which one can assure personal growth and success throughout their Army Career. The plan identified training requirements, skills, disciplines and guidance which will enhance and develop skill for the 21st century.

FCR is a participant in the conception of the Senior Army Workforce (SAW). The concept of the SAW is career management for our Senior Leaders.

FCR and CP-15 Subject Matter Experts are members of the SAW Focus Group and are active in the conception of the SAW initiative.

Q & RA INTERN PROGRAM

**Currently, CP-15 has 26 interns in class
at the AMC Logistics Leadership Center
(ALLC) Red River Army Depot, Texarkana,
TX**

The Program Of Instruction for the Quality & Reliability Assurance (CP-15) intern program continues to be reviewed and updated to stay abreast of customer requirements, industry initiatives and DAU training opportunities. Starting with the FY06 class the POI will reflect several changes including a focus on Lean/six sigma tools, enhanced Reliability, and Configuration Management
